

GEORGE BUSH

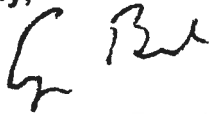

August 12, 2013

Dear Kenneth,

The letter you sent me on July 29 was so very thoughtful. The Secret Service agents who serve with Patrick's great dad are an inspiration, and the "publicity" surrounding our gesture of support has resulted in a lot of financial and emotional support for Patrick. He's a wonderful little boy, and I am confident he'll grow to be an extraordinary young man.

Keep up the great work you are doing there at the ICCCPO. Barbara and I salute you and we send you our warmest regards.

Sincerely,

Handwritten signature of George W. Bush, consisting of a stylized 'G' followed by 'W. Bush'.
